

South Bank Growers Market

Where to go, what to do

The following information is provided to inform you on how to get to the Market, to ensure a smooth set-up and pack-up of the Market and to advise you of your responsibilities while loading and unloading.

LOCATION: The Growers Market are situated on the lawn facing Little Stanley Street (between Stanley Street Plaza and Little Stanley Street). The weekly Lifestyle Market trades as usual on Stanley Street Plaza alongside the Growers Market. The market area is easy to spot as the tents and tables will already be set up and we will have a number of flags flying around the perimeter of the Market.

VEHICLE

DROP OFFS: A vehicle drop off and pick up area is located in the centre of Stanley Street Plaza. The entry point is halfway along Little Stanley Street. Enter Little Stanley Street from either end of the Street and you drive down the ramp into Stanley Street Plaza. You will need to carry your products and equipment from the ramp so bring a trolley if you have one. A number of very large 4 wheel trolleys are also available on site.

If you do not have heavy stock, a good alternative is to park in the car park beneath Little Stanley Street and walk your products up the stairs which lead directly onto the Lawn. Quite a few of the regular stallholders do this to save the effort of moving their vehicle twice.

NO vehicular access is permitted into the actual Market Area as we are situated on grass.

Stallholders with special requirements for setting up should contact our office on (07) 3844 2440.
